Later in the afternoon we will drive to the summit of Mount Ngadiuri to take in the sensational views over Hornsdale Farm. Traditional home cooked meals, stargazing and whip cracking are the entertainment this evening.

### DAY 2:

Arise early on the peaceful farm before we drive to the famous and magnificent Wilpena Pound where we enjoy a guided walk through the Pound.

Lunch will be served at the Wilpena campgrounds with the friendly kangaroos lazing in the shade. The afternoon is spent discovering the geological wonders of Brachina Gorge. In the evening we settle in to another comfortable night on the farm.

### DAY 3:

On Sunday we will take it easy. Driving through the Clare Valley and taking part in the beautiful wine tasting from one of the State's best wine region. Lunch will be a beautifully juicy BBQ before we return to Adelaide. We conclude the tour late in the afternoon on Sunday.
